[REDACTED], GS-8, Medical Technician. The Executive Secretary reviewed a request dated 12 September 1957 from [REDACTED] for the promotion of [REDACTED] to GS-9. This promotion request was concurred in by the [REDACTED] Promotion Board and endorsed by the Chief of Station. It was pointed out that [REDACTED] are the only GS-8s eligible for promotion at this time and that this promotion would in no way interfere with the promotions of [REDACTED] when they become eligible. The Executive Secretary recommended approval of the promotion; the Board Members concurred. However, in view of the Board's discussion of the competitive evaluation of GS-8 personnel, C/MS announced he would take this case under advisement.
